

Description: Portable Gravity Fed Eye Wash

Product Code: 18-1009

Portable Gravity Fed Eye Wash

Product Features

The portable gravity operated eye wash features a 35 litre capacity, high-density green polyethylene tank which provides a full 15 minute flushing at 1.5 litres per minute.

The fold-down eye wash arm has a positive upper limit stop that also covers and protects the spray outlets when not in use. The tank has a handle on top to allow for easy handling. A wide-fill opening with threaded cap permits easy inspection, cleaning and filling.

It is supplied with wall bracket and bacteriostatic additive to permit storage of water for up to six months.
